Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 67

Focus Occupation: Health Educators (21-1091)

Associated Occupation: Social and Human Service Assistants (21-1093)

Work Activities	Exclusivity of Activity
Compile data related to social service programs	84
Make presentations	13

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
